**All trip policies are available at [www.a2skiclub.org](http://www.a2skiclub.org). They are subject to change and/or modification as the Board of Directors deems necessary for the safe and efficient operation of the club.**

## Participant Policies and Expectations

1. **Cancellations.** You are signing a contract with the Ann Arbor Ski Club and agree to adhere to the payment schedule. We will book flights, lodging, transportation and make other expenditures for you. If you cancel or are a no show, any refund will be based on what we receive back from our trip providers on your behalf and/or if your slot can be filled from a waitlist. Waitlist management is handled by the trip leader. Trips are not directly transferable by the participant. If you are sharing a room or a condo, you will still be responsible for your share of the lodging. It is possible you may lose your entire trip cost.
2. **Behavior.** The club has a behavior policy and all travelers are expected to abide by it. In addition, trip leaders are VOLUNTEERS and are not compensated, nor are their trips subsidized. If you have problems with travel, lodging, or other issues, they may help out, but it remains your responsibility to resolve it.
3. **Public Health.** The club has a Public Health policy regarding Covid and other health concerns . You agree to abide by it.
4. **Bedrooms.** Bed types, particularly in condos, are usually unknown until we arrive. There is no first come/first serve with respect to beds. The ski club has a procedure for determining how beds are allocated if the roommates can not determine this among themselves.
5. **City Pass.** We will be doing group activities that may require admissions or the use of the City Pass. This is not included in the trip cost. It is the participants obligation to acquire the City Pass or pay the separate admissions.
6. **Insurance.** The Ski club **strongly recommends** that participants buy trip insurance. The club will not be financially responsible for cancellations, travel delays, or other events that impact the ability to enjoy your trip. Participants acknowledge that public health based closures and general travel chaos is a known risk of travel and accept their responsibility to financially protect themselves.
7. **International Travel Pricing** of international trips is based on exchange rates in effect at the time of contract signing. An adjustment to the final payment may be necessary to account for any changes in exchange rates.
  - **Passport** You must email a copy of your passport declaration page to the trip leader within 2 weeks of signing up. It must be valid for at least 6 months after the trip.
